Dear Administrators:

Greetings in the wonderful name of Jesus. Thank you for taking the time to read this letter of recommendation for Daniel and Lydia Elliott. They are missionaries going to the field of Mongolia. The Hillside Baptist Church of Springfield, Missouri will be their sending church. I have personally known Brother Daniel Elliott for almost eleven years. Brother Daniel became a member of our church while attending Baptist Bible College in Springfield, Missouri. He served faithfully in the bus ministry, youth ministry and children's church ministry. Daniel and Lydia have served faithfully for the past five years at Brooking Heights Baptist Church in Kansas City, Missouri. The Elliott's are servants of integrity, character and holiness. They have a great vision for the people of Mongolia and a time frame in which to reach their field. They are hopeful and prayerfully seeking to partner through your ministries and our local church.

Thank you for your help and encouragement to Daniel and Lydia as they seek the Lord's will for their lives.

May God continue to bless all of your labors and efforts for the building of His great kingdom.

Your Fellow Laborer In Christ
