Dear Friends,

After arriving back in Korea from furlough and several very busy weeks, we are finally well settled. The kids have started school and we are all very busy in the ministry. In the middle of August, we helped Wonju Bethel Baptist Church with their church camp. It was a wonderful time of serving the Lord together. Three different churches (all churches we have assisted) from Gangwon—do providence participated. After we arrived back in Incheon, our kids started school. School is going well and they seem to be enjoying their studies.

Incheon International Baptist Church continues to grow. Since our return, we have seen several saved and baptized. We appreciate your prayers for continued growth.

We do have a special prayer request we would like to mention. Our partners, the Michael Genger family, will be leaving Korea for furlough in late January. When they return to Korea, they do not plan on returning to Incheon. We would appreciate your prayers as there are many decisions and much wisdom needed over the next few months as we make this transition in the ministry. We have enjoyed our time of serving together and will miss them greatly!

Although we are no longer a part of the ministry, we continue to hear good things from the Kowachs in Chuncheon. In fact, we are praising God that one of my language teachers finally accepted Christ during this past month!
