

November/December 2016

Dear Friends,

At this time of year, I like to reflect on the past year and the year to come. Recently, at a fellowship meeting of pastors and missionaries, I was reminded of I Thessalonians 5:24, "Faithful is he that calleth you, who also will do it." I would like to reflect back on some of the work that God has done in this past year.

We started the year in the States on furlough. Although we missed our friends and ministry here in Korea, it was good to be back, see many of you, share what God had done over the past four years, and to look towards the future. We were State—side until Mid—July and had a very full and busy schedule. We were in over 60 different churches and ministries during this time and saw God work.

When we arrived back in Korea, we hit the ground running. The week after we arrived back, we had Vacation Bible School. Vacation Bible School was a huge success and we are still seeing fruit from it. After VBS was church camp with Wonju Bethel Baptist Church. It was a great time of preaching and fellowship with the folks in Wonju, Chuncheon, and Gangneung. August also brought the start of school and a bit more "normal" schedule. Since then, we have continued to see God working in people's lives. We have seen several accept Christ and the baptismal waters have been stirred on a regular basis.

We are looking forward to God continuing to do great things. We have a busy holiday schedule with a number of outreaches into our community. Also, our partners, the Michael Genger family, will be leaving Korea in March. I know they would appreciate your prayers as they seek to raise support to come back to Korea. We appreciate your continued prayers and support as we continue to minister here in Korea.

For Christ,
