

Dear Friends,

We would like to thank you for your faithful prayers and support. As you are aware, we are back in the States on furlough. I would like to update you on the goals for this furlough.

1. Ethan's speech therapy. We are praising God that we were able to begin speech therapy in early April. He is seeing the therapist twice a week for an hour at a time and we are seeing significant improvement. Please continue in prayer for Ethan as he goes through this therapy.
2. Due to some lost support and cost of living increases, we are currently at 87% of our needed support. During this furlough 75—80% of the meetings that we have scheduled are new to us as we seek to raise more support. We have had some great meetings already and received several promises of increased support. We appreciate your prayers for this need.
3. Housing. Due to the way that the rental market works in Korea, housing cost is always an issue. We need to increase our housing deposit. We appreciate your prayers regarding this need.

We look forward to our return to Korea in late November/Early December 2018. Thank you for your prayers!

On a different note, we are monitoring the situation with North Korea and are cautiously optimistic. Please continue to pray for the leaders involved in these negotiations.
