Dear Friends,

Thank you so much for your prayers for the ministry here in Korea and our family. We greatly appreciate you, your prayers, and your financial support. You are vital co—laborers with us. We cannot do this without you!

It is great to be back in Korea! Since being back in Korea, we have been able to visit some of the works that we have helped over the past six years. God has blessed and they are all doing well!. In addition, we have been able to personally pass out thousands of tracts inviting people to church. Please be in prayer for those that receive these tracts and John and Romans.

Since being back, we have been informed of a law change that will directly affect us. Due to the age of our vehicle, we will only be able to drive it on certain days (days without high pollution). At this time, we do not plan on replacing it with a newer vehicle. That said, we have begun setting money aside for a newer vehicle and appreciate your prayers regarding this situation. Partially as a result of this law, we have been utilizing public transportation (subway) more often. While on the subway, you never know who you will meet and with whom you will talk. The other day, we had the opportunity to speak with several Pilipino ladies here on vacation. We have also had the opportunity to speak with people from three other continents, as well as the Korean people. Please be in prayer as we continue to minister to the people in Korea.

For Souls,
