March/April 2019

Dear Friends,

The past few months have been busy and the coming months are only going to get busier. First, Ethan began speech therapy in March. He is enjoying it and making progress. It is a blessing to be able to get him the help that he needs. I know that he would appreciate your prayers as he goes through this therapy.

Secondly, due to some problems with the current building and the need for more space, the church voted to move in January. Since that time, we have been seeking God's will for a new building and looking at buildings. It appears that we have found a suitable building at a wonderful price. There is even the opportunity in the future for the church to buy a portion of the building! Due to the building availability, we will probably not move until September. We appreciate your prayers as we move locations. We would also like to ask you to pray about the future possibility of the church purchasing part of this building.

In other news, the family is all doing well. Eliza has finished her junior year of high school. She has dual enrolled and will be taking some college courses this summer and next year. I know she would appreciate your prayers. The rest of the kids are doing well in school and should be done in the middle of June.

Thank you again for your faithful prayers, support, and encouragement. Missions is a partnership. As part of that partnership, we pray regularly for each one of you. If there is any thing we can do to assist in your missions program, or if there is something specific that we can pray for, please let us know.
