September/October 2019

Dear Friends,

On September 6th, we were blessed to have Hannah Campbell and Victoria Butler arrive. They will be working with us doing a missionary internship for the next three months. I know that they would appreciate your prayers as they minister here in Korea. Also in September, God opened the door for me (Daniel) to take a short trip to Canada. I was there for 8 days and preached in 5 churches and a Bible College. God blessed and people were challenged and encouraged in their missions outreach.

We have a very busy October planned. We are doing an evangelistic outreach campaign that we have named Seoul Harvest 2019. During this month, we have set a goal of distributing 30,000 pieces of gospel literature (John & Romans as well as tracts). In addition, Brother Kevin Murdoch will be with us holding several soul-winning training sessions for our people as well as doing some street preaching. We appreciate your prayers as we seek to reach the Seoul Metro with the gospel.

Over the past few months, we have asked for prayer regarding our building situation. Please earnestly pray over the next couple of months. There is great uncertainty in the Korean economy and we have faced difficulty in finding a suitable building at a price we can afford. As you might imagine, property costs in Seoul are astronomical. Please pray for God's will to be accomplished in this need.

Thank you so much for your faithful prayers and support. Without you, we could not do what we do. We are grateful for your sacrifice (both prayers and financial) For Souls,

for the cause of Christ that allows us serve Him here in Korea.
