Dear Friends,

Psalms 144:4

Man is like to vanity: his days are as a shadow that passeth away.

Time Flies: In January of 2002, God blessed us with our first child, Eliza. The past 18 years have had their joys and sorrows, and they have gone by quickly. That said, we are very thankful for the children that God has given to us and the time that we have with them. After several years of hard work, Eliza graduated from high school with honors and 21 hours of college credit in May. We are thankful for the godly, young lady that God has given to us. She plans on starting college in the fall of 2021. We are excited to see what God does with her. **Please continue in prayers as this time of transition is hard for all of us.**

Time Flies: It seems like just yesterday that we arrived back in Korea to begin this two year term. However, it has been 18 months already. As you should be aware, our plans are to take a furlough beginning sometime this winter to bring Eliza back and get her situated in the States. We appreciate your prayers as we plan and prepare for this furlough. **We do not have dates firmly set, but if you are already filling your 2021 calendar, please contact me.** We can be reached by phone (417-429-0362) or email (daniel@danielelliottfamily.us). Before our furlough, we need to renew our visas. **Please be in prayer for our visa renewal. Due to changes in the laws here in Korea, this renewal looks to be significantly more difficult and renewal may not be possible.** We plan on making application in mid—July for this renewal and will know our visa status soon after application.

For Souls,
