

THE ELLIOTTS

SERVING IN CANADA

January/February 2023

Dear Friends,

As I sit here and write this, we are just a few days from 2023. As I reflect back upon 2022, we have seen God do great and mighty things and we are looking forward to 2023 with great anticipation to see what God is going to do.

We were blessed this holiday season to have Eliza come and spend about two weeks with us. It was good to have her back serving with us here in Orangeville. While she was here, we were able to take new family pictures. I have posted these pictures to our web site and they are available for downloading. If you have problems or need a picture sent to you, please let me know. Eliza has since returned back to the States and is preparing to continue her studies this spring. I know she would appreciate your prayers as she is working to pay her way through college. Please pray that she will be able to get the hours she needs to pay her school bill and expenses. On a similar note, we would love to have her come and minister with us this summer. However, since she would not be allowed to work in Canada, she would need about \$3500 to begin the fall semester 2023. Please pray with us regarding God's will in this matter.

We appreciate your prayers for Lydia's health and recovery. On January 3rd, she had a miscarriage with significant hemorrhaging. At this point, she is recovering but would appreciate your prayers.

We still have not heard back from immigration regarding our work permit applications. We expect to hear within the next few weeks. Please pray with us that these are processed quickly and without problems. If they are not processed by Feb 8, we can stay in country and minister under what Canada calls Maintained Status, but we will lose our health insurance until they are processed. After we have our work permits, we will begin working on our permanent residency applications. There are a number of steps that must be completed before we actually apply for permanent residency. We appreciate your prayers regarding our immigration status.

As for ministry news, we are excited as we look forward into 2023. We expect God to do great things. Our theme for this year is On The Rock: Building on the Solid Foundation. We look forward to God building Calvary Baptist Church here in Orangeville. In addition to our weekly outreaches, we have several other outreach activities planned, including another mailer, mailing to over 23,000 homes in our area. The Canadian borders are open with no restrictions. If you would like more information on how you can help with these outreach activities, please let me know.
