Dear Friends,

Prophecy Conference Saturday Morning
62 in attendance.

The past couple of months have been very crazy in ministry and in life. September was busy with preparing for the prophecy conference. During this time, with the help of Gospel Light Baptist Church in Richmond Hill, Ontario, we were able to distribute over 2500 invitations to the prophecy conference by door hanging and door knocking. This is in addition to the over 24,000 invitations that was mailed. As a church, we held several special prayer meetings for the conference and I have to report that God blessed tremendously. We had a high attendance on Saturday morning of 62! In addition, we had five families from our area visit during the conference and all five indicated that they were looking for a church. Three of the families have indicated that they plan on returning! Please continue to pray with us that God will build His church here in Orangeville. We had one lady that was unsaved and left the conference under obvious conviction. We appreciate your prayers as we follow up! All of this was not without a cost. On the Tuesday before the conference began on Friday, I hit a deer and did over $6500 of damage to our vehicle. Thankfully, the insurance will cover all but our $500 deductible. In addition, on Tuesday before the conference, Lydia had what we now know as a gallbladder attack. She was not getting better by Thursday, so the day before the conference, we wound up in the ER. She had emergency gallbladder surgery on Thursday evening. She is still in some pain and dealing with a great deal of fatigue. We would appreciate your prayers for her health.

This coming month, ourselves as well as two other churches in the area are starting a quarterly youth rally. God has begun to give us a youth group and we seek to see these teens reached for Christ. We appreciate your prayers as we continue to minister here in Canada. The winter months can be difficult due to weather conditions and lack of sunlight and your prayers are appreciated!

Please note that December support needs to be received at CMC by <u>December 15th</u>. Anything received after that time will be added to our January support received at the end of January.
