Serving in Canada

January/February 2024

Dear Friends,

As I sit here and contemplate the last year and the beginning of the new, I am reminded of the promise found in Lamentations 3:21–23 “This I recall to my mind, therefore have I hope. It is of the LORD’S mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness.” This past year, we have seen God’s faithfulness over and over again. God has richly blessed. We have seen one saved. In addition, the church has grown from around 14-16 to 20-24. God has richly blessed our labor. We have distributed door to door over 7,500 invitations to church and have completed putting an invitation to church on every door in Orangeville (population 30,000+). This year we begun a quarterly youth rally with a couple of other churches of like faith about 1—1 1/2 hour away from us. We look forward to God continuing to bless and grow HIS church here in Orangeville. That said, we have suffered some battles. However, we know that “greater is He that is within us than he that is in the world.” (1 John 4:4) As we consider the ministry going into 2024, we would ask that you remember the following in prayer:

- A piano player
- Workers to begin a teen class
- Soul—Winning outreach and door invitations
- Church growth

We have been blessed to have Eliza up from Oklahoma City for two weeks around Christmas (She returned to Oklahoma City on December 26th). We would like to express our thanks to Northside Baptist Church in Carrollton, TX for all their help in getting her to and from the airport! Elijah officially graduated high school on December 15th. He desires to go to FaithWay Baptist College in Ajax, ON. FaithWay is a small Baptist college in the Toronto area. In order to do this, we have to change his study permit, updating both the school (college now instead of high school) and the location of study. We applied for his new permit on December 8th. We anticipate hearing a decision by the end of January. If his permit is denied, he will have to leave Canada by mid-March. Please pray with us regarding the approval of this study permit. The other kids are all doing well in school. Lydia’s health is stable although she still gets fatigued easily. Thank you for your faithful prayers for our family. We have posted updated family pictures on our web site (www.danielelliottfamily.us).
