

The Elliotts

Serving in Canada

March/April 2024

Dear Friends,

Sometimes when I sit down to write these letters, they come really easy and just flow. Other times, it is more difficult. For me, that difficulty often is found in what to write. This is one of those letters. It is not that there is nothing going on here or that there is no blessings or problems to be found, but rather where to put the focus. Let me try to explain in the context of this letter. January 2024 was a big milestone for us and our ministry. It was in January 2004 that we began deputation full-time to go to Mongolia. As a result, we have been missionaries now for 20 years and in the ministry for at least 25 years. We could focus the letter on God's faithfulness and your faithfulness over the years. I could focus on how **God provided Eli-**

ah with a student visa that will enable him to remain in Canada and attend Faithway Baptist College in Ajax, ON. Within the past few months, we have seen

some difficulties in the ministry here as we had a family leave the church. We could focus on the difficulties and ask you to pray regarding those difficulties. In addition, **we have seen growth in the church and on February 4th, baptized 6 people.** We could focus on what God is doing in our midst. In middle of all this, we are dealing with extended family issues in that my nephew will have his 5th major heart surgery and the surgeon has given him a 33% chance of dying on the operating table. Add to that, my mom & dad's dementia is getting worse and there will be an evaluation in early June to determine if it is time for a nursing home. All of these are worthy (at least in my opinion) prayer letter topics as they deal with some the stresses and blessings of missionary service. As I pray, write, and contemplate the letter, I am reminded of an old favorite hymn by Fanny Crosby and William Doane, "To God be the glory, GREAT THINGS HE HATH DONE." God has truly done a great work here in the past two months and we thank you for having a part by your prayers and financial support. Please continue to pray for Paul (my nephew that is having surgery), our family, and the work here in Orangeville. Please pray specifically

Getting the Baptismal tank ready for baptisms

that God would send us some of that white harvest of Luke 10:2 "Therefore said he unto them, The harvest truly is great..."

Thank you for your faithful prayers and support!
