

The Elliotts

Serving in Canada

September/October 2024

Dear Friends,

We appreciate your patience with us as we are delayed in sending this letter! The last three months have been both very busy and very hard. In July, I sent out a letter regarding a building. At that time, we had a signed, approved lease. However, due to some mortgage related issues, the landlord had to withdraw the lease. We have been looking for a suitable place since. To date, nothing in our price range has come available. I am scheduled to look at a building later this month and we would appreciate your prayers as the location is not ideal. That said, any money that has come in for the building has been placed in a building fund in the church name so that when God opens the door, the money is available.

For the past four weeks (since Sept 20), someone has been vandalizing the house that we rent. The house has been broken into at least twice during that time and things stolen. It appears that the vandalism is related to our tract distribution, but the evidence is not conclusive and the police here refuse to consider that it might be related. We appreciate your prayers that the vandalism would stop, a conclusion to the matter would be reached, and for our relationship with our landlord.

We were privileged to have our pastor, John Bingham and his family come up to Canada for several days in September. It was a wonderful time of fellowship, discussions related to ministry, ministry direction, as well as dealing with some family related stuff as the kids age (visa related). As I have previously shared, we are not planning a furlough in the near future. If you would like for me to report, please contact me so that we can discuss options.

Speaking of visas, my work permit is up for renewal next year. We have found a different lawyer and as a result, the price has decreased to around \$3000 USD. We appreciate your prayers as we begin the paperwork in November and hope to submit everything early next year. Canada has begun decreasing the number of new permits as well as decreasing the number of renewals. Please pray as we work through the process.
