## Serving in Canada

Dear Friends,

February/March 25

## BUT GOD

In our last letter, I mentioned that we had found a building that would meet all our needs. This building was significantly bigger than any we had looked at and was in a great location. However, as of my last letter, the landlord had decided to rent to a different tenant. BUT GOD! A week or so after I sent the letter, we received a call from our realtor. The tenant was unable to fulfill the terms of the lease and even though

the landlord had multiple offers to lease, including some at a higher rent, he wanted to offer the building to us! We were able to complete all the necessary paperwork and we moved into our own building the first of February. **This is a major step forward for Calvary Baptist Church and we appreciate your prayers as we continue to move forward.** As I write this letter, we are currently involved in the necessary renovations. We are very thankful for help from BIM's Claim ministry in our renovations! We plan on completing renovations the week of February 24th and are planning a building dedication service on March 9th.

We have begun the process of renewing our visas. The paperwork was begun in early February. Based on promised help with these expenses, we have submitted the paperwork and expect to receive our new permits early this summer. **We do not anticipate any problems.**

Canada is a wide open field, but with the geopolitical situation, as always when doing visa work, **we greatly appreciate your prayers!**

**Thank you for your faithful prayers and support!**
