Dear Church

In Ecclesiastes 3:4, the Preacher (King Solomon) writes, "A time to weep, and a time to laugh, A time to Mourn, and a Time to dance." We have felt all those emotions these past months. From a ministry perspective these past months have been both joyful and very hard. We had 18 for our Easter services. Several have continued coming off and on. In addition, we have several others that are interested in coming to church. In over four years of ministry in Canada, we have never seen the level of interest that we have had in the past 4-5 months. Please pray with us that those that need to be saved would accept Christ and that Christ would continue to build his church. It is very much a leap of faith. The church finances are really struggling and we desperately need to see increased giving as well as increased attendance. Please pray with us that God would continue to build His church and His work here in Orangeville!

On a more personal level, thank you for everyone that helped with Ethan's medical expenses. Most, if not all of those, including his therapy sessions have been paid thanks to your generosity! He is healing and therapy is going well.

As you probably know, Eliza graduates in just a couple of weeks. We will be in the States for about three weeks in May for graduation and then we are going to report to a few of our churches. Please pray with us regarding our travels and that God would use us in the churches we will visit. Elijah would also greatly appreciate your prayers as he will be overseeing the work here in Orangeville for us. He will fly in for graduation and then fly back to Canada the same week. This will allow him to work so that he can pay his fall school bill. We are planning a short furlough during 2027. If you would like for us to report back, please contact me for more

information. Thank you for your faithful prayers and support. Thank you for those that have called and encouraged us over the past few months.

Daniel & Lydia Elliott
