Dear Church

There is much to share this month as we have seen God do some amazing things. We thank you for your prayers and faithful support as we would not have been able to see these victories without your prayers and support.

1. In July, Pastor Fidel Hughes came to Canada on a mission trip. During his time here, we held a Children's outreach at our home. **God blessed and we saw two saved** that weekend! After many months of planting, we thank God for the harvest!
2. We have seen visitors coming to church and returning. In fact, we are preparing for two baptisms and hope to have a report of baptisms in the near future. Please pray for Mark, Brenda, and George.
3. We have several that are doing Bible Studies. Please pray as they complete these studies and we continue to follow up with them.
4. We have an exciting new outreach. Unfortunately, we cannot share the details at this time, but please pray as God has opened doors in our community that we did not expect.
5. As you are probably aware, earlier this spring we found out that Lydia's grandmother was Canadian. Due to a recent law change, this means that Lydia and the children have Canadian citizenship by birth (descent). We have begun the application process and God willing, Lydia and all the kids except Eliza and Elijah will have their Canadian citizenship by this fall. Eliza and Elijah have applications in process, but theirs is going to take longer to process. Once we get Lydia's citizenship, then she can sponsor me into Canada. This will **NOT** require them to give up their American citizenship. They will have dual American and Canadian citizenship. However, **This will ELIMINATE the need for visas and visa renewals permanently**. In order to begin the sponsorship process, **we need to raise \$4500 USD for lawyer and government fees**. Ideally, we would have this in hand as soon as possible to begin the sponsorship process. This process will take approximately 2 ½ years. As a result, we need to get it started as soon as possible to avoid having to spend money renewing my visa when it expires in August 2029. **Would you please pray about this need and ask God how you can help?** If you have any questions, please contact me at 519-938-1739 or via email: danielelliottfamily@gmail.com

On a family note: We will be traveling to Eliza and Bridge's wedding in Springfield, MO in late September. **We will be stateside for about 2 weeks and we appreciate your continued prayers for**

the associated financial needs. Elijah begins his Junior year of college at Faithway Baptist College on Aug 31st. I know he would appreciate your prayers. The other kids have resumed their schooling and are all doing well. Thank you for your faithful prayers and support. We appreciate you and thank God for you!
