October 26

Dear Church

Thank you so much for your faithful prayers. We have really felt them this month. I am sending out this letter a bit early and as a result, October support is not shown on the letter. That will be included in our next letter, probably early December.

We would like to thank you for praying for our family. In September, Eliza decided to break the engagement with Bridge Thompson. We are thankful that Lydia and Evan were already in the States to help her during this time. The other kids and myself drove down to Springfield in late September to spend some time with Eliza and visit a few of our churches. It was a great visit and very needful. We have since returned to Canada and are getting back into the swing of the work here. God is working, although the visible progress is not as fast as I would like. David continues to come regularly to church. Please pray as we continue to disciple him. Pray also for his family as they have expressed interest in coming to church. The new ministry mentioned in our last letter has not yet materialized although it is still possible. Please continue to pray. We are asking God to do a work here and give the church stability. On an additional note, Lydia and the four boys at home (Ethan, Evan, Ezra, and Enoch) have all received their Canadian citizenship. God has graciously provided the funds for this step. Eliza and Elijah have their paperwork in progress and would appreciate your continued prayers. We are praying for the funds for the next step, beginning the spousal sponsorship process. The funds needed will be in two stages. The first tranche will be approximately \$1200 of which God has already supplied \$400. That is needed as soon as possible. The second and last tranche will be approximately early January and will be around \$2100 needed. Please be in prayer for these needs.

Please remember that any support received for December must be received by December 15th.

For Souls,
Daniel & Lydia Elliott

On a final note for this letter, there have been some false allegations floating around about our family. If you have any concerns, please reach out directly to our pastor (John Bingham), myself, or Central Missionary Clearinghouse.
